Green Valley Estate
DEURNE • NL

Dear participants, visitors and partners,

I am proud to welcome you to CSI Deurne 2026 – Spring Edition. Green Valley Estate is continuously evolving, with the ambition to raise the bar every year as a equestrian venue. Innovation, quality and experience are central to everything we do.

This spring, we are proud to present a unique series of five major equestrian events in a row, of which CSI Deurne – Spring Edition is a valuable addition. Organising events of this level requires dedication, preparation and teamwork. Together with the Green Valley Estate team, we work passionately behind the scenes to create an environment where top sport, atmosphere and hospitality come together for participants, visitors and sponsors.

Over five days, CSI Deurne again offers high-level equestrian sport combined with entertainment and activities for all ages, creating a lively and welcoming atmosphere.

This year also marks the five-year anniversary of Green Valley Estate. In recent years, we have grown step by step into an international equestrian centre where sport, nature, business and hospitality strengthen one another.

I am grateful for the dedication of our team and the support of our sponsors. But above all, I would like to thank you, as a participant or visitor.

On behalf of the entire Green Valley Estate team, I wish you an unforgettable edition of CSI Deurne, full of sport, fun and hospitality.

Yours sincerely,

Rob van Berlo
On behalf of the van den Eijnden family,
Green Valley Estate
